TESTING

No Appointment Needed

Free COVID-19 testing is available to all LA County residents at drive-up and walk-up testing sites. Appointments are currently not needed, and you are able to register on-site at LA County testing sites. Appointments can still be made and can help reduce wait times. [Click Here](#) to schedule an appointment.

Additional Testing Resources:

Testing highly recommended for:

- **People who have symptoms:** If you have symptoms of COVID-19, talk to a healthcare provider and get tested.
- **People who have been a close contact to someone with confirmed or suspected COVID-19 (a case) within the last 14 days.** Even if your test is negative, you will still need to complete your quarantine.
- **People with or without symptoms who are part of an outbreak response or contact investigation in high-risk settings,** such as nursing homes, congregate living facilities, correctional facilities, or persons experiencing homelessness.

VACCINE & DISTRIBUTION

LA County vaccination providers can offer the Pfizer vaccine for 12-15-year-olds. Teens should come with a parent, guardian or responsible adult and bring proof of age. Appointments can be made at [VaccinateLACounty.com](https://www.vaccinate.lacounty.gov).

Through today, June 10, 2021, get vaccinated and earn a chance to win LA Dodgers & LA Football Club Season Tickets. [Click Here](#) for more information.
