FACTS

Incident Type: Public Health Emergency			
First US Case: January 21, 2020		First LA County Case: January 26, 2020	
Total Cases: 3,011	Cases Today: 548	Total Deaths: 54	Hospitalized(ever): 594

SITUATION AS OF MARCH 31, 2020

SITUATION SUMMARY:

The following public information is a high-level summary of events being managed by the Los Angeles County Emergency Operations Center tasked with the emergency response and coordination of Countywide resources to address the COVID-19 disaster. Please share this information with your family, fellow residents, municipal, state & community partners.

- March 28, 2020 FEMA provided \$390 million in federal support to California and an additional \$468 million to the State to reimburse costs related to the COVID-19 response.
- March 27, 2020 the Coronavirus Aid, Relief and Economic Security Act (CARES Act) was signed into law by President Donald J. Trump
- California issues State of Emergency (3/4/20)
- L.A. County issues Local Emergency proclamation (3/4/20)
- 84 of the 88 Cities (95%) in Los Angeles County have proclaimed a Local Emergency
- Los Angeles County is still providing essential services, but County buildings remain closed to the public. For a comprehensive list and updates by department, refer to the Continuity of Operations Plan (COOP) section on Page 5 of this document.
- To receive regular updates, sign up for our GovDelivery distribution list here: <https://bit.ly/2QE6khO>

For more information visit https://covid19.lacounty.gov/covid19/how-you-can-help/• Coordinating Disaster Service Worker recruitment efforts and state resource requests.• Working with California Conservation Corps regarding local Food Bank mission• The CEOC has received over 475 unique requests that continue to be prioritized. The requests that are being submitted to the State include medical personnel, sanitizing equipment, and other support personnel. Finance & Recovery <ul style="list-style-type: none">• Working with State and County departments on FEMA Reimbursement guidelines.• Continue to partner with DCBA regarding long term recovery. Following up with the State for guidance in establishing a Local Assistance Center (LAC). Information <ul style="list-style-type: none">• Issued Press Releases on practicing social distancing during warm weather and updating medical sheltering efforts.• FAQ document on medical sheltering at Mayfair• Developing new Video Content and Public Service Announcements.• Daily Press Conferences on Facebook, Twitter, and YouTube.																		
COVID19-RELATED MEDICAL SHELTERING OPERATIONS	<p>New medical sheltering operations are currently being brought online in El Segundo, Lancaster, and Los Angeles. To increase capacity at each facility the County is recruiting and training personnel to serve as on-site managers. Wrap around services including transportation, food, laundry services and security services are available at each site.</p> <p>Current Medical Sheltering Locations:</p> <table><tr><th>Location</th><th>Date Operational</th><th>Number of Clients</th></tr><tr><td>Dockweiler RV Park</td><td>3/22</td><td>26*</td></tr><tr><td>MLK Recuperative Center</td><td>3/25</td><td>3*</td></tr><tr><td>Sheraton Fairplex</td><td>3/25</td><td>19*</td></tr><tr><td>Sherman Hotel</td><td>3/27</td><td>3*</td></tr><tr><td>Mayfair Hotel</td><td>4/1</td><td>n/a</td></tr></table>	Location	Date Operational	Number of Clients	Dockweiler RV Park	3/22	26*	MLK Recuperative Center	3/25	3*	Sheraton Fairplex	3/25	19*	Sherman Hotel	3/27	3*	Mayfair Hotel	4/1	n/a
Location	Date Operational	Number of Clients																	
Dockweiler RV Park	3/22	26*																	
MLK Recuperative Center	3/25	3*																	
Sheraton Fairplex	3/25	19*																	
Sherman Hotel	3/27	3*																	
Mayfair Hotel	4/1	n/a																	

	<p>*number of clients is reported as of 0800 today. This number will fluctuate daily as clients arrive/ are discharged.</p> <p>The County is working to quickly leverage the incoming offers from local hotels/motels and on-going solicitations for assistance in the COVID-19 response.</p>		
PERSONAL PROTECTIVE EQUIPMENT PROCUREMENT & DISTRIBUTION	<p>All Personal Protective Equipment reflected below is procured and distributed by the Los Angeles County Medical Supply facility operating out of Long Beach. The facility is working with the Department of Public Health to fill all PPE orders for Health Care Workers across Los Angeles County. Currently 2,176 PPE orders have been filled.</p>		
	Item	Inventory Received	Inventory Shipped
	N95 Masks	6,500,000	3,900,000
	Surgical Masks	2,500,000	2,400,000
	Face Shields	387,600	278,300
	Goggles	3,600	2,400
	Surgical Gowns	137,000	103,100
	Hand Sanitizer	127,700	112,200
	Gloves	317,600	304,500
	Non-Latex Gloves	198,700	79,100
	Total PPE Units:	10,172,200 units	7,179,600 units
PERSONS EXPERIENCING HOMELESSNESS	<p>The Office of Emergency Management has designated LAHSA as the lead agency for work relating to people experiencing homelessness. OEM did this to ensure that LAHSA's expertise is captured in the day-to-day work and allows LAHSA to play the central coordinating role across City and County agencies.</p> <p>LAHSA's goal is to provide 2,000 shelter beds where persons exhibiting COVID-19 symptoms can isolate safely. These include RVs provided by the state and hotels provided by the County. Social Distancing in shelters continues to be a priority.</p> <p>LAHSA has requested resources that include food, personnel, test kits, and a warehouse to store acquired items. This order is currently being addressed by both the State and the County. LAHSA is asking for shelter support staff including medical and shelter staff.</p> <p>The State has allocated \$50 million in State funding for the leasing of hotels/motels for three months for persons experiencing homelessness statewide. These rooms are not for medical sheltering. They are instead deemed "interim sheltering" for vulnerable persons experiencing homelessness</p>		

	<p>including those over 65 years of age and those with compromised immunity or chronic disease.</p> <p>The State will take the lead on negotiating leases with hotels/motels on behalf of the County. This partnership between the County and State allows agreements to be reached quickly.</p>
HEALTHCARE SYSTEM & SERVICES:	<p>The County healthcare system at present time is not experiencing a shortage of hospital beds. There is, currently, no surge or demand for COVID-19 related hospital care.</p> <ul style="list-style-type: none"> • Private hospitals report 660 open beds and approximately 222 open ICU beds with 100% of hospitals reporting. • Among 4 DHS hospitals, total of 1,393 beds; 821 beds occupied (59% occupancy), 572 open beds. • DHS ICU beds, total 169; 107 beds occupied (63% occupancy), total of 62 open ICU beds.
SCHOOLS:	<p>Provided a 'Resources for Schools' section on LACOE website to provide helpful resources to districts and schools in preparation for and handling COVID-19. For more information access: https://www.lacoe.edu/Home/Health-and-Safety/Coronavirus-Resources/</p> <p>Released a 'COVID-19 Update' on March 30, 2020 on the LACOE website to provide helpful updates to students, staff, and families. For more information access: https://www.lacoe.edu/Portals/0/LACOE/CVUpdate_033020.pdf?ver=2020-03-31-095238-683</p> <p>Superintendent Austin Beutner provided an update to the school community on March 30, 2020 at 11 a.m., with closed caption in English and Spanish. For more information access: https://achieve.lausd.net/domain/4</p> <p>In partnership with Red Cross, LAUSD continues to provide nutritious meals to all students during the temporary closure of schools 64 Grab & Go Food Centers are staffed weekdays (7-11 a.m.). To see the list of Grab & Go Food Centers and more information access: https://achieve.lausd.net/resources/</p>
PUBLIC SAFETY INFORMATION:	<p>The Los Angeles County Sheriff's Department</p> <ul style="list-style-type: none"> • The Department has implemented a voluntary expedited COVID-19 testing for its first responders/employees. • Staffing at DOC/Patrol level continue to be a priority. • Reallocating personnel from non-essential operations to supplement patrol and high visibility areas/ crime suppression. • Providing PPE to line personnel and ensuring exposed staff receive appropriate medical services/shelter. • There are over 852 Sheriff Department Units on patrol in various capacities ensuring residences and shuttered businesses are safe. • The Sheriff's Department has identified over 253 department members who are EMT certified and 17 department members who are paramedic

	<p>trained available to supplement medical personnel if they are needed.</p> <ul style="list-style-type: none"> • The Sheriff's Department continues to monitor the care of inmates within the county jail system. The Department has augmented its medical screening procedures and provided additional staffing for cleaning and decontamination. The Department continues to work with Correction Health and The Department of Health Services to make sure the inmate population is cared for appropriately. <p>The Los Angeles County Fire Department is completing the following activities:</p> <ul style="list-style-type: none"> • Assisting in receiving and distributing medical supplies inbound from the State at the direction of the Department of Public Health. (see section labeled Personal Protective Equipment Procurement & Distribution) • Medical Director Dr. Clayton Kazan has taken the lead on developing a testing plan for COVID-19. If you are healthy, have no exposure history, and have no symptoms, you are not guaranteed to be tested due to the limited test kit and protective gear supply caused by the coronavirus crisis. • 11 Staff members are sick/isolated, and 10 staff members tested positive for COVID-19. • Developing and expanding non-contact medicine to include telemedicine and video portals in an effort to maintain services and slow transmission through social distancing. • Re-assigning non-essential positions to essential functions. • 50% of business operations & administrative staff are assigned to telework. • Assisting with staging operations at Medical Sheltering facilities • Assisting with staffing needs at the CEOC Joint Information Center.
PUBLIC SERVICES	<p>Southern California Edison (SCE)</p> <ul style="list-style-type: none"> • To help with financial challenges due to COVID-19, SCE is temporarily suspending disconnections for customers unable to pay their bill. Some authorized payment agencies may close or provide intermittent service and late payment fees will be waived if this affects customer's ability to pay. For more information access: https://www.sce.com/residential/assistance?from=/billhelp/ <p>Southern California Gas</p> <ul style="list-style-type: none"> • Service Disconnects for residential customers who are having a hard time paying their bills are temporarily suspended, even if customer received an automated 48 hour shut off notice. Visit https://socalgas.com/coronavirus for more information.
DEPARTMENT OF MOTOR VEHICLES	<p>DMV Field offices are temporarily closed to the public statewide beginning March 27, 2020. All appointments have been canceled and no appointments are available.
