For more information, please visit: http://www.publichealth.lacounty.gov/media/Coronavirus/</p>	
LOS ANGELES COUNTY HEALTH SERVICES:	<p>The Los Angeles County Department of Health Services (DHS) released its COVID-19 Hospital Demand Modeling Projections showing that physical distancing is slowing the rate of COVID-19 transmission in the county. The projections indicate that if current levels of physical distancing are not maintained, there will be an exponential rapid increase in the rate of infection, severely hampering the ability of the hospital system to meet that demand. The insights from this modeling effort in large part informed the County of Los Angeles Dept. of Public Health’s decision to extend the ‘Safer at Home’ order until May 15, 2020.</p>	
COVID-19 TESTING	<p>L.A. County is quickly ramping up and adding more COVID-19 testing sites to serve all residents of our communities. Testing is available by appointment only! As of today, the following testing sites are accepting appointments and are fully operational. Please see the list of Frequently Asked Questions regarding COVID-19 Testing for more information.</p>

	<p>*number of clients is reported as of 0800 today. This number will fluctuate daily as clients arrive/ are discharged.</p> <p>The County is working to quickly leverage incoming offers from local hotels/motels and solicitations for assistance in the COVID-19 response.</p>																																						
PERSONS EXPERIENCING HOMELESSNESS	<p>The Office of Emergency Management has designated LAHSA as the lead agency for work relating to people experiencing homelessness. OEM did this to ensure that LAHSA's expertise is captured in the day-to-day work and allows LAHSA to play the central coordinating role across City and County agencies.</p> <p>Medical Sheltering: The County, with LAHSA's support seeks to provide 2,000 shelter beds where persons exhibiting COVID-19 symptoms can isolate safely. Medical sheltering sites will serve multiple populations, including persons experiencing homelessness. These sites include RVs provided by the state and hotels provided by the County. Physical Distancing in shelters continues to be a priority. LAHSA has requested resources that include food, personnel, test kits, and a warehouse to store acquired items. This request is currently being addressed by both the State and the County.</p> <p>Project Roomkey: Los Angeles County, LAHSA and the City of Los Angeles have collectively allocated \$39.3 million in state emergency homeless funding for Project Roomkey. Project Roomkey expands the County's interim shelter system in a massive public health effort that aims to bring as many people as possible inside to protect their health and prevent the spread of COVID-19. Hotels and motels will provide interim housing for vulnerable persons experiencing homelessness including those over 65 years of age and those with compromised immunity or chronic disease. LAHSA is currently standing up staffing and operations for Project Roomkey. The safety of clients and the staff at each hotel site is a priority. In accordance with physical distancing guidelines, arrivals to the hotels are staggered to avoid long lines and large gatherings at the point of entry for each of the hotels. Most sites will take 2-4 days to reach capacity under this model.</p> <p style="text-align: center;">Project Roomkey Locations:</p> <table border="1"> <thead> <tr> <th>Service Planning Area (SPA)</th> <th>Total Rooms</th> <th>Date Operational</th> <th># of Rooms Occupied</th> <th># of Clients</th> </tr> </thead> <tbody> <tr> <td>Antelope Valley – 1</td> <td>94</td> <td>4/6</td> <td>77</td> <td>79</td> </tr> <tr> <td>South Bay – 1</td> <td>60</td> <td>4/8</td> <td>25</td> <td>27</td> </tr> <tr> <td>San Fernando Valley – 1</td> <td>52</td> <td>4/5</td> <td>49</td> <td>60</td> </tr> <tr> <td>San Gabriel Valley – 1</td> <td>49</td> <td>4/6</td> <td>45</td> <td>53</td> </tr> <tr> <td>San Fernando Valley – 2</td> <td>74</td> <td>4/5</td> <td>71</td> <td>95</td> </tr> <tr> <td>Antelope Valley – 1</td> <td>50</td> <td>4/11</td> <td>10</td> <td>12</td> </tr> </tbody> </table>				Service Planning Area (SPA)	Total Rooms	Date Operational	# of Rooms Occupied	# of Clients	Antelope Valley – 1	94	4/6	77	79	South Bay – 1	60	4/8	25	27	San Fernando Valley – 1	52	4/5	49	60	San Gabriel Valley – 1	49	4/6	45	53	San Fernando Valley – 2	74	4/5	71	95	Antelope Valley – 1	50	4/11	10	12
