ROADMAP TO RECOVERY

Safeguards in Place Before Opening

1. Ensuring Capacity in the Healthcare System

- Adequate health care staffing, testing, ventilators and PPE, along with surge capacity

2. Protections for vulnerable populations

- Adequate PPE and staffing to manage effective care and positive cases in institutional settings
- Adequate COVID-19 testing for residents and workers in institutional settings

3. Ensuring public health capacity to test, trace, and isolate

- Adequate capacity to test those in priority groups and those in congregate living and healthcare facilities
- Capacity to trace and isolate individuals with positive COVID-19 tests and to quarantine close contacts
- Collect data electronically from providers and labs, including race/ethnicity data

4. Developing protocols to keep workers and residents safe

Protocols in place to ensure safe reopening of businesses and institutions, including attention to physical distancing and infection control measures

May 8th Reopening

A limited number of businesses will be able to open on May 8th with appropriate safeguards in place.

Florists, Toy Stores, Book Stores, Clothing Stores, Music Stores, and Sporting Goods Stores:

- Curbside pick-up only
- Must adhere to physical distancing and infection control protocols

Car Dealership Showrooms:

- Must adhere to physical distancing and infection control protocols

Golf Courses:

- Pro shops closed
- Concession stands and restaurants are take-out only

Trails:

- Must adhere to physical distancing and must use cloth face covering

Are We Slowing the Spread?

How capable are we slowing the spread?

- Do we have sufficient hospital capacity, including ventilators and ICU beds?
- Is the supply of PPE adequate for all health care workers?
- Do we have sufficient testing capacity and testing supplies?
- Do we have sufficient case and contact tracing capacity?

How effective are we in slowing the spread?

- Are mortality rates by age, poverty status, and race/ethnicity relatively stable
- Are hospitalization rates by age, poverty status, and race/ethnicity relatively stable?

<p>PERSONS EXPERIENCING HOMELESSNESS</p>	<p>The Office of Emergency Management has designated LAHSA as the lead agency for work relating to people experiencing homelessness. OEM did this to ensure that LAHSA’s expertise is captured in the day-to-day work and allows</p>																														

(PEH)

LAHSA to play the central coordinating role across City and County agencies. Visit the website for more information on [Homelessness & Housing](#)

Medical Sheltering:

Los Angeles County has stood up temporary quarantine and isolation shelters to prevent the spread of COVID-19. These temporary shelters, using hotels and motels throughout the County, is for individuals who have been exposed to COVID-19 and must isolate and need assistance from the County to do so. Visit our website for more information on [Medical Sheltering](#) and for a list of Frequently asked Questions.

Project Roomkey:

Project Roomkey is a collaborative effort by the State, County, City of Los Angeles and the Los Angeles Homeless Services Authority (LAHSA) to secure hotel and motel rooms for vulnerable people experiencing homelessness, with a focus on seniors and individuals with existing health conditions. It provides a way for people who don't have a home to stay inside to prevent the spread of COVID19. The data reflected in this update does not reflect contracts pending final execution with hoteliers. Visit our website for more information on [Project Roomkey](#)

LETS FEED LOS ANGELES COUNTY	<p>The County of Los Angeles is committed to feeding our most vulnerable communities during the Coronavirus pandemic. We are mobilizing public agencies, nonprofits, and volunteers to provide meals to anyone in need during the long months to come. Visit https://covid19.lacounty.gov/food/ for more information.</p> <ul style="list-style-type: none"> LA County Public Library is partnering with LA Food Bank and the County Food Security Task Force for drive thru food distribution event at Littlerock Library. 				
SENIOR CARE:	<p>LA County and the City of Los Angeles are providing free meals to adults age 60 and older who are impacted by the COVID-19 crisis. Meals are provided at distribution sites or via home-delivered meals. View the map below for information about each site. Adults age 65 and older must send a family member, friend or caregiver who is under the age of 65 to pick up meals at their assigned site. Call 1-800-510-2020 to request services.</p> <p>For a list of locations currently in the Los Angeles County Elder Nutrition Program Click Here.</p>				
EMERGENCY COOLING CENTERS	<p>Temperatures in parts of Los Angeles County are expected to rise into the 90s midweek. As a result, several public facilities located throughout the County will open and serve as Emergency Cooling Centers on Wednesday and Thursday of this week. These centers provide members of the public who lack air-conditioning at home with relief from the heat, free of charge. All centers will be open from 12:00 p.m. to 6:00 p.m. and will operate in compliance with physical distancing and other safety criteria from the current Health Officer Order.</p> <ul style="list-style-type: none"> For more information on Emergency Cooling Centers Click Here. For a list of locations and hours Click Here. 				
LOS ANGELES COUNTY	<p>Logistics</p> <ul style="list-style-type: none"> Supporting logistics and resources for food distribution events.
