LOS ANGELES COUNTY HEALTH SERVICES & HEALTHCARE SYSTEM	<p>For an update on the County healthcare system including data on available Hospital Beds, Ventilators, and Personal Protective Equipment visit the Department of Health Services COVID-19 Dashboard.</p> <p>Los Angeles County COVID-19 Hospital Demand Modeling Projections May 13th Key Findings:</p> <ul style="list-style-type: none"> • The overall volume of hospital-based care for patients with COVID-19 appears generally stable consistent with prior predictions; • It is not yet known what effect the relaxation of physical distancing requirements will have on transmission of COVID-19. If transmission increases, modeling predicts that an increase in patient volume at healthcare facilities would occur after delay of approximately 2-4 weeks.

	<ul style="list-style-type: none"> The number of hospital beds, ICU beds, and ventilators in Los Angeles County appears adequate to meet the projected need for the care of additional COVID-19 patients over the next 4 weeks, unless there is a marked increase in transmission. 																														
COVID-19 TESTING	Testing is Prioritized for:																														
	<p>Symptomatic persons with:</p> <ul style="list-style-type: none"> Fever, Cough, Chills, Repeated shaking with chills, muscle pain, headache, sore throat, new loss of taste or smell. <p>Asymptomatic persons:</p> <ul style="list-style-type: none"> Persons over age 65 Those with a chronic medical condition Essential workers, which includes: Social service employees; Critical government personnel; Health care professionals; Grocery and food service workers; Utility and other public employees <p>This is in addition to testing of symptomatic and asymptomatic individuals in congregate institutional settings.</p>																														
	Testing is Available by Appointment only																														
	<ul style="list-style-type: none"> Testing Information Schedule a Free COVID-19 Test Frequently Asked Questions <p>As of today, approximately 272,000+ people in Los Angeles County have been tested for COVID-19. 11% of people tested have been positive.</p>																														
COVID-19 RELATED MEDICAL SHELTERING OPERATIONS	<p>New medical sheltering operations are currently being explored. PERSONS EXPERIENCING HOMELESSNESS	<p>The Office of Emergency Management has designated LAHSA as the lead agency for work relating to people experiencing homelessness. OEM did this to ensure that LAHSA's expertise is captured in the day-to-day work and allows</p>																														

LAHSA to play the central coordinating role across City and County agencies. Visit the website for more information on [Homelessness & Housing](#)

Medical Sheltering:

Los Angeles County has stood up temporary quarantine and isolation shelters to prevent the spread of COVID-19. These temporary shelters, using hotels and motels throughout the County, is for individuals who have been exposed to COVID-19 and must isolate and need assistance from the County to do so. Visit our website for more information on [Medical Sheltering](#) and for a list of Frequently asked Questions.

Project Roomkey:

Project Roomkey is a collaborative effort by the State, County, City of Los Angeles and the Los Angeles Homeless Services Authority (LAHSA) to secure hotel and motel rooms for vulnerable people experiencing homelessness, with a focus on seniors and individuals with existing health conditions. It provides a way for people who don't have a home to stay inside to prevent the spread of COVID19. The data reflected in this update does not reflect contracts pending final execution with hoteliers. Visit our website for more information on [Project Roomkey](#)

Project Roomkey Locations:

COMBATTING HUNGER: The County of Los Angeles is committed to feeding our most vulnerable communities during the Coronavirus pandemic. We are mobilizing public agencies, nonprofits, and volunteers to provide meals to anyone in need during the long months to come. Visit <https://covid19.lacounty.gov/food/> for more information.

- County provided \$3 million to Los Angeles Regional Food Bank (LARFB) to provide financial assistance to purchase food supplies as inventory was declining rapidly due to 82% increase in demand/distribution.
- Connected 60 food producers/suppliers to LARFB to provide donations of unused/unsold produce for distribution. Secured cold-storage warehouse space at downtown Produce Market for use by LARFB.
- Distribution events occurred in the Antelope Valley at Littlerock Library and Sorensen Park at with 682 and 564 households at which 1,246 households were provided food boxes totaling 22.5 tons.
- Total distributed to date at 6 Feeding Branch sponsored events is 147 tons of food provided to 8,150 households.
- Since March 2020, 20.5 million lbs. of food have been distributed, including 256,300 emergency food boxes distributed to families and individuals, totaling 6.5 million lbs. of food.

Next Food Distribution event is at East Rancho Dominguez Park.

SENIOR CARE: LA County and the City of Los Angeles are providing free meals to adults age 60 and older who are impacted by the COVID-19 crisis. Meals are provided at distribution sites or via home-delivered meals. View the map below for information about each site. Adults age 65 and older must send a family member, friend or caregiver who is under the age of 65 to pick up meals at their assigned site. Call **1-800-510-2020** to request services.
